

Extra CAR PARKING for 2015

Improved Parking Options for Opera in the Gardens - 2015

1. Patrons will be directed to the main carpark (**P1**) for the Brisbane Botanical Gardens until this has been filled.
2. Parking Attendants will then direct Patrons to the Overflow carpark (**P2**) immediately across Mount Coot-tha Road from the Gardens Entryway.
3. If both carparks are filled, Patrons will be directed to proceed 1.3 kilometers up Mount Coot-tha Road and Scenic Drive to parking area (**P3**) used during Legacy Way construction.

Shuttle Buses running in a continuous loop will bring Patrons back to the Planetarium Bus Stop inside the Brisbane Botanical Gardens. The Shuttle Buses will operate after the Opera to return Patrons to their cars.

- P1** – Main Carpark
P2 – Overflow Carpark
P3 – Legacy Way Carpark
